

Job Overview:

We seek a skilled and experienced Garden Machinery Mechanic to join our team. As a Garden Machinery Mechanic, you will be responsible for diagnosing, repairing, and maintaining various garden machinery, with a primary focus on 2 and 4-stroke engines. The ideal candidate will have a strong mechanical background, excellent problem-solving skills, and the ability to communicate effectively in English.

Key Responsibilities:

- Perform diagnostics, repairs, and maintenance on a range of garden machinery, including but not limited to lawnmowers, chainsaws, trimmers, and other outdoor power equipment.
- Specialise in servicing 2 and 4-stroke engines, ensuring efficient and reliable operation.
- Conduct thorough inspections to identify issues and provide accurate estimates for repairs.
- Maintain detailed and organised job cards, documenting work performed, parts used, and time spent on each job.
- Stay up to date with industry trends and advancements in garden machinery technology.
- Communicate effectively with customers, providing clear explanations of repairs, maintenance needs, and cost estimates.
- Order and maintain an inventory of necessary parts and tools.

Qualifications:

- Proven experience in mechanical repairs (Agri, cars, quads, plant, or garden)
- Proficient in diagnosing and repairing various types of machinery.
- Strong understanding of 2 and 4-stroke engine principles and components.
- Ability to read and write job cards accurately.
- Excellent communication skills in English, both verbal and written.
- Detail-oriented with strong organisational and time-management skills.
- Ability to work independently and as part of a team.
- Familiarity with safety procedures and guidelines in a workshop environment.

Education and Certifications:

- Relevant certifications or training in garden machinery mechanics is a plus.

Physical Requirements:

- Ability to lift and move heavy machinery and equipment.
- Comfortable working in various weather conditions (when required).

If you have a passion for working with all types of machinery, a keen eye for detail, and the ability to provide exceptional service to our customers, apply here or reach out to us for more information at +353 86 3767582 / bernard@movilletoohire.ie
